About the 109

The 109 Cultural Exchange was founded in 2019, as a mixed-use space, which has provided homes to Saline Main Street, Salt Valley Arts, and The Saline Historical Society; hosted open mic nights, poetry slams, and art exhibitions; and has served as a special project meeting space for the Saline District Library, the Saline Art and Culture Committee, and other organizations.

Artists with works that embrace the ethos of The 109—diversity of culture, race, and ethnicity; promotes openness; and approaches social issues with a critical eye for dialog—are encouraged for submission.
